8. Approval of Ravindra Energy Employees Stock Option Scheme 2022 ('REL ESOP Scheme 2022')

To consider and if thought fit, to pass, with or without modification(s), the following resolution as a **Special Resolution:**

RESOLVED THAT pursuant to the provisions of Section 62 and other applicable provisions, if any, of the Companies Act, 2013 ('the Act') and the rules framed thereunder including the Companies (Share Capital and Debentures) Rules, 2014 (including any statutory modification(s) or amendment(s) thereto or re-enactment(s) thereof, for the time being in force) and the Securities and Exchange Board of India ('SEBI') (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ('SBEB Regulations') and in accordance with the circulars/guidelines issued by SEBI, the memorandum and articles of association of the Company, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended, the Foreign Exchange Management Act, 1999, as amended and other applicable regulations, rules and circulars/guidelines in force, from time to time and subject to any approval(s) of any authorities as may be required, and subject to any such condition(s) or modification(s), if any, as may be prescribed or imposed by such authorities while granting such approval(s) and subject to acceptance of such condition(s) or modification(s) by the Board of Directors of the Company (hereinafter referred to as the 'Board', which term shall include the Nomination and Remuneration Committee constituted and designated by the Board to act as the 'Compensation Committee' under

the SBEB Regulations or their delegated authority and to exercise its powers, including the powers conferred by this resolution), the consent of the members of the Company be and is hereby accorded to the Board to introduce and implement the "Ravindra Energy Employees Stock Option Scheme 2022" ('REL ESOP Scheme 2022') and to create, issue, offer and allot, equity shares under REL ESOP Scheme 2022, to or to the benefit of such person(s) who are permanent employees of the Company, whether working in India or outside India, and/or to the Directors of the Company, whether Whole-Time or not but excluding Independent Director(s) and to such other persons as may be decided by the Board and/or permitted under SBEB Regulations (hereinafter referred to as 'Eligible Employees') but does not include an employee who is a promoter or a person belonging to the promoter group and director(s) who either himself or through his relative or through any body-corporate, directly or indirectly, holds more than 10% of the outstanding equity shares of the Company, to subscribe to such number of equity shares of the Company at such price or prices and on such terms and conditions, as may be determined by the Board in accordance with the provisions of REL ESOP Scheme 2022 and in due compliance with the SBEB Regulations and other applicable laws, rules and regulations.

RESOLVED FURTHER THAT the consent of the members is hereby accorded to the Board to grant to Eligible Employees under REL ESOP Scheme 2022 up to 13,67,301 (Thirteen Lakhs Sixty Seven Thousand Three Hundred and One) Employee Stock Options ("ESOPs") being equivalent to 1% of the issued equity share capital of the Company as on the date of the notice of this resolution, exercisable into not more than 13,67,301 fully paid-up equity shares in the Company in aggregate of face value of Rs. 10/- each.

RESOLVED FURTHER THAT the number of ESOPs that may be granted to the Eligible Employee(s), in any financial year and in aggregate under the REL ESOP Scheme 2022 shall not exceed 1% of the issued equity share capital (excluding outstanding warrants and conversions) of the Company.

RESOLVED FURTHER THAT in case of any corporate action(s) such as rights issues, bonus issues, change in capital structure, merger and sale of division/undertaking or other re-organisation, change in capital and others, the Board be and is hereby authorised to do all such acts, deeds, matters and things as it may deem fit in its absolute discretion and as permitted under applicable laws, so as to ensure the fair and equitable benefits under REL ESOP Scheme 2022 are passed on to the Eligible Employees;

RESOLVED FURTHER THAT in case the equity shares of the Company are either sub-divided or consolidated, then the number of equity shares to be allotted and the price of acquisition payable by the option grantees under the REL ESOP Scheme 2022 shall automatically stand augmented or reduced, as the case may be, in the same proportion as the present face value of $\stackrel{\textbf{F}}{}$ 10/- per equity share, bears to the revised face value of the equity shares of the Company after such sub-division or consolidation, without affecting any other rights or obligations of the said allottees;

RESOLVED FURTHER THAT the Board be and is hereby authorised to devise, formulate, evolve, decide upon and bring into effect the REL ESOP Scheme 2022 on such terms and conditions as contained in the explanatory statement to this item in the notice and to modify, alter, vary, revise or amend the said terms or suspend, withdraw, revise or terminate the REL ESOP Scheme 2022, subject to compliance with the SBEB Regulations, the Act and other applicable laws, rules and regulations, as may be prevailing at that time.

RESOLVED FURTHER THAT the equity shares may be allotted in accordance with REL ESOP Scheme 2022 directly to the employees.

RESOLVED FURTHER THAT the Board be and is hereby authorised to issue and allot equity shares upon exercise of options from time to time in accordance with REL ESOP Scheme 2022 and to take necessary steps for listing of the equity shares allotted under REL ESOP Scheme 2022 on the stock exchange, where the equity shares of the Company are listed as per the provisions of the SEBI Regulations and other applicable laws, rules and regulations.

RESOLVED FURTHER THAT the equity shares so issued and allotted under REL ESOP Scheme 2022 shall rank pari passu with the existing equity shares of the Company.

RESOLVED FURTHER THAT the Company shall conform to the accounting policies prescribed from time to time under SBEB Regulations and any other applicable laws and regulations to the extent relevant and applicable to REL ESOP Scheme 2022.

RESOLVED FURTHER THAT the Board, be and is hereby authorized to do all such acts, deeds and things, as may, at its absolute discretion, deems necessary including authorizing or directing the Nomination and Remuneration Committee to appoint Merchant Bankers, Brokers, Solicitors, Registrars, Advertisement Agency, Compliance Officer, Investors Service Centre and other Advisors, Consultants or Representatives, being incidental to the effective implementation and administration of the REL ESOP Scheme 2022 as also to prefer applications to the appropriate Authorities, Parties and the Institutions for their requisite approvals as also to initiate all necessary actions for the preparation and issue of public announcement and filing of public announcement, if required, with the SEBI/Stock Exchange and all other documents required to be filed in the above connection and to settle all such questions or difficulties whatsoever which may arise and take all such steps and decisions in this regard.

RESOLVED FURTHER THAT the Board be and is hereby authorised to do all such acts, deeds, matters and things as it may, in its absolute discretion deem fit, for the aforesaid purpose and also to settle any issues, questions, difficulties or doubts that may arise in this regard at any stage, without being required to seek any further consent or approval of the members of the Company to the end and intent that the members shall be deemed to have given their approval thereto expressly by the authority of this resolution and further to execute all such deeds, documents, writings and to give such directions and/or instructions as may be necessary, proper or expedient to give effect to any modification, alteration, amendment, suspension, withdrawal or termination of REL ESOP Scheme 2022 and to take all such steps and do all acts as may be incidental or ancillary thereto.

RESOLVED FURTHER THAT subject to applicable provisions of the Act and other applicable laws, the Board be and is hereby authorised to delegate all or any powers conferred herein, to any committee of Directors or Chairman or the Compliance Officer of the Company with a power to further delegate to any executives or officer of the Company to do all such acts, deeds, matters and things as also to execute such documents, writings etc. as may be necessary in this regard.

9. Approval to grant of Employee Stock Options to the employees of a Group company being subsidiary company(ies) or associate company(ies), if any, of the Company under Ravindra Energy Employees Stock Option Scheme 2022 ('REL ESOP Scheme 2022')

To consider and if thought fit, to pass, with or without modification(s), the following resolution as a **Special Resolution:**

RESOLVED THAT pursuant to the provisions of Section 62 and other applicable provisions, if any, of the Companies Act, 2013 ('the Act') read with the rules framed thereunder including the Companies (Share Capital and Debentures) Rules, 2014 (including any statutory modification(s) or amendment(s) thereto or re-enactment(s) thereof, for the time being in force) and the Securities and Exchange Board of India ('SEBI') (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ('SBEB Regulations') and in accordance with the circulars/guidelines issued by SEBI, the articles of association of the Company, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended, the Foreign Exchange Management Act, 1999, as amended and other applicable regulations, rules and circulars/guidelines in force, from time to time and subject to any approval(s) of any authorities as may be required, and subject to any such condition(s) or modification(s), if any, as may be prescribed or imposed by such authorities while granting such approval(s) and subject to acceptance of such

condition(s) or modification(s) by the Board of Directors of the Company (hereinafter referred to as the 'Board', which term shall include the Nomination and Remuneration Committee constituted and designated by the Board to act as the 'Compensation Committee' under the SBEB Regulations or their delegated authority and to exercise its powers, including the powers conferred by this resolution), the consent of the members of the Company be and is hereby accorded to the Board to introduce and implement the "Ravindra Energy Employees Stock Option Scheme 2022" ('REL ESOP Scheme 2022') and to create, issue, offer and allot, equity shares under REL ESOP Scheme 2022 to or to the benefit of such person(s) who are permanent employees of the Company's subsidiary and associate companies, whether working in India or outside India, and/or to the Directors of the Company's subsidiary and associate companies, whether Whole-Time or not but excluding Independent Director(s) and to such other persons as may be decided by the Board and/or permitted under SBEB Regulations (hereinafter referred to as 'Group Eligible Employees') but does not include an employee who is a promoter or a person belonging to the promoter group and director(s) who either himself or through his relative or through any body-corporate, directly or indirectly, holds more than 10% of the outstanding equity shares of the Company, to subscribe to such number of equity shares of the Company at such price or prices and on such terms and conditions, as may be determined by the Board in accordance with the provisions of REL ESOP Scheme 2022 and in due compliance with the SBEB Regulations and other applicable laws, rules and regulations.

RESOLVED FURTHER THAT the number of employee stock options ('ESOPs') that may be granted to the Group Eligible Employee(s), in any financial year and in aggregate under the REL ESOP Scheme 2022 shall not exceed 1% of the issued equity share capital (excluding outstanding warrants and conversions) of the Company.

RESOLVED FURTHER THAT in case of any corporate action(s) such as rights issues, bonus issues, change in capital structure, merger and sale of division/undertaking or other re-organisation, change in capital and others, the Board be and is hereby authorised to do all such acts, deeds, matters and things as it may deem fit in its absolute discretion and as permitted under applicable laws, so as to ensure the fair and equitable benefits under REL ESOP Scheme 2022 are passed on to the Group Eligible Employees.

RESOLVED FURTHER THAT in case the equity shares of the Company are either sub-divided or consolidated, then the number of equity shares to be allotted and the price of acquisition payable by the option grantees under the REL ESOP Scheme 2022 shall automatically stand augmented or reduced, as the case may be, in the same proportion as the present face value of ₹ 10/- per equity share, bears to the revised face value of the equity shares of the Company after such sub-division or consolidation, without affecting any other rights or obligations of the said allottees.

RESOLVED FURTHER THAT the Board be and is hereby authorised to devise, formulate, evolve, decide upon and bring into effect the REL ESOP Scheme 2022 on such terms and conditions as contained in explanatory statement to this item in the notice and to modify, alter, vary, revise or amend the said terms or suspend, withdraw, revise or terminate the REL ESOP Scheme 2022, subject to compliance with the SBEB Regulations, the Act and other applicable laws, rules and regulations, as may be prevailing at that time.

RESOLVED FURTHER THAT the equity shares may be allotted in accordance with REL ESOP Scheme 2022 directly to the Group Eligible Employees.

RESOLVED FURTHER THAT the Board be and is hereby authorised to issue and allot equity shares upon exercise of options from time to time in accordance with REL ESOP Scheme 2022 and to take necessary steps for listing of the equity shares allotted under REL ESOP Scheme 2022 on the stock exchange, where the equity shares of the Company are listed as per the provisions of the SBEB Regulations and other applicable laws, rules and regulations.

RESOLVED FURTHER THAT the equity shares so issued and allotted under REL ESOP Scheme 2022 shall rank pari passu with the existing equity shares of the Company.

RESOLVED FURTHER THAT the Company shall conform to the accounting policies prescribed from time to time under SBEB Regulations and any other applicable laws and regulations to the extent relevant and applicable to REL ESOP Scheme 2022.

RESOLVED FURTHER THAT the Board, be and is hereby authorized to do all such acts, deeds, and things, as may, at its absolute discretion, deems necessary including authorizing or directing the Nomination and Remuneration Committee to appoint Merchant Bankers, Brokers, Solicitors, Registrars, Advertisement Agency, Compliance Officer, Investors Service Centre and other Advisors, Consultants or Representatives, being incidental to the effective implementation and administration of the REL ESOP Scheme 2022 as also to prefer applications to the appropriate Authorities, Parties and the Institutions for their requisite approvals as also to initiate all necessary actions for the preparation and issue of public announcement and filing of public announcement, if required, with the SEBI/Stock Exchange and all other documents required to be filed in the above connection and to settle all such questions or difficulties whatsoever which may arise and take all such steps and decisions in this regard.

RESOLVED FURTHER THAT the Board be and is hereby authorised to do all such acts, deeds, matters and things

as it may, in its absolute discretion deem fit, for the aforesaid purpose and also to settle any issues, questions, difficulties or doubts that may arise in this regard at any stage, without being required to seek any further consent or approval of the members of the Company to the end and intent that the members shall be deemed to have given their approval thereto expressly by the authority of this resolution and further to execute all such deeds, documents, writings and to give such directions and/or instructions as may be necessary, proper or expedient to give effect to any modification, alteration, amendment, suspension, withdrawal or termination of REL ESOP Scheme 2022 and to take all such steps and do all acts as may be incidental or ancillary thereto.

RESOLVED FURTHER THAT subject to applicable provisions of the Act and other applicable laws, the Board be and is hereby authorised to delegate all or any powers conferred herein, to any committee of Directors or Chairman or the Compliance Officer of the Company with a power to further delegate to any executives or officer of the Company to do all such acts, deeds, matters and things as also to execute such documents, writings etc. as may be necessary in this regard.

- 3. Identification of classes of employees entitled to participate and be beneficiaries in the scheme:
 - a) A permanent employee of the Company who has been working in India or outside India; or
 - b) A Director of the Company, whether a Whole-Time Director or not but excluding an Independent Director;
 - c) Permanent employees and Directors of the Subsidiary Company (ies) and Associate Company (ies) working with respective subsidiary Company (ies) or associate Company (ies), if any; or but does not include –
 - (i) An employee who is a promoter or a person belonging to the promoter group; or
 - (ii) A Director who either himself or through his relative or through any body-corporate, directly or indirectly, holds more than ten percent of the outstanding equity shares of the Company;
- 4. Requirements of vesting and period of vesting: The Options granted shall vest in accordance with the terms of each grant under the REL ESOP Scheme 2022, so long as an employee continues to be in the employment of the Company. Further, the Options granted would vest subject to the minimum vesting period of 1 year.
- 5. Maximum period (subject to Regulation 18 (1) and 24 (1) of the Regulations, as the case may be) within which the options / benefit shall be vested:
 - a. 25% of the Options shall vest on the First Anniversary from the Grant Date;
 - b. Next 75% of the Options shall vest on the Second Anniversary from the Grant Date .
- 6. Exercise price, purchase price or pricing formula: The exercise price shall be the price as may be decided by the Board/ Committee of the Board from time to time.
- 7. Exercise period and process of exercise: The exercise period shall be 10 years from the date of vesting of the options. Payment of the Exercise Price shall be made by a cheque or a demand draft drawn in favour of the Company or through permitted banking channel, or in such other manner as the Board/Committee may permit.
- 8. The appraisal process for determining the eligibility of employees for the scheme: The appraisal process for determining the eligibility of the employees will be decided by the Nomination and Remuneration Committee from time to time.
- 9. Maximum number of options, shares, as the case may be, to be issued per employee and in aggregate: Maximum number of shares that may be issued pursuant to exercise of Options Granted to an eligible employee shall be in accordance with relevant regulations in force at the time of grant, and to all eligible employees under the Scheme, shall not exceed 1% of the issued equity shares of the

Company subject to such fair and reasonable adjustment that may be necessitated pursuant to any future corporate action.

- **10. Maximum quantum of benefits to be provided per employee under the scheme:** The Maximum quantum of benefits underlying the options issued to an eligible employee shall depend upon the Market Price of the shares as on the date of sale of shares arising out of exercise of options.
- 11. Whether the scheme is to be implemented and administered directly by the Company or through a Trust: The Scheme shall be administered by the Company and not through a trust.
- 12. Whether the scheme involves new issue of shares by the Company or secondary acquisition by the trust or both: The scheme only involves new issue of shares by the Company.
- 13. The amount of loan to be provided for implementation of the scheme(s) by the Company to the trust, its tenure, utilization, repayment terms, etc.: This is not applicable under the present scheme.
- 14. Maximum percentage of secondary acquisition (subject to limits specified under the regulations) that can be made by the trust for the purposes of the scheme(s): This is not applicable under the present scheme.
- 15. A statement to the effect that the Company shall conform to the accounting policies specified in Regulation 15: The Company shall comply with the disclosures and the accounting policies as prescribed from time to time.
- **16. The method which the Company shall use to value its options:** Fair value will be determined and approved by the Board/Nomination and Remuneration Committee in accordance with SEBI Regulations.

17. Lock-in: NA

In case the Company opts for expensing of Share Based Employee Benefits using the intrinsic value, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value, shall be disclosed in the Directors' Report and the impact of this difference on profits and on earnings per share ('EPS') of the Company shall also be disclosed in the Directors' Report.

Regulation 6(1) of SBEB Regulations and Rule 12(1) of the Companies (Share Capital and Debentures) Rules, 2014 ('ESOP Rules'), requires that every employee stock option scheme shall be approved by the members of a Company by passing a special resolution in a general meeting. Further, as the Scheme will entail further issue of shares, consent of the members is required by way of a special resolution pursuant to Section 62(1) (b) of the Companies Act, 2013. Accordingly, the special resolution set out at Items No. 8 & 9 of this Notice is proposed for approval by members.

Annual Report 2021-22

The relevant documents mentioned in the notice are available for inspection by the members at the registered office of the Company on all working days (except Saturdays, Sundays and public holidays) between 10:00 a.m. and 5:00 p.m. up to and at the annual general meeting.

Directors / Key Managerial Personnel of the Company / their relatives who may be granted stock options under REL ESOP Scheme 2022 may be deemed to be concerned or interested in the special resolutions set out in Items No. 8 & 9 of this Notice.

Save as aforesaid, none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the said special resolutions.

The Board recommends the special resolutions set out at Items No. 8 & 9 of this Notice for approval by the members.

Item No. 10. Approval for divestment of stake in REL Rural Warehousing Limited, Subsidiary of the Company.

REL Rural Warehousing Limited is a Material Subsidiary of the Company and the Company is holding 100% of the total equity share capital in the said Material Subsidiary Company.

The above mentioned Material Subsidiary is engaged into the business of Trading in Commodities. The Company has been operating for the past six months. The Company has invested around Rs. 1.07 crores in the said Material Subsidiary in the form of equity capital.

The management believes that the Company should exclusively focus on developing its renewable energy business and therefore exit non-renewable energy businesses. The Board of Directors in its meeting held on May 21, 2022 has approved the divestments of stake held in the said Material Subsidiary at a consideration of not less than the value as may be determined by a registered valuer. Accordingly, the Company has obtained a Valuation Report from Anmol Sekhri Consultants Private Limited, an independent registered valuer from Mumbai, dated June 14, 2022. As per the valuation report the equity value has been arrived at Rs. 9.70 Millions. By divesting the stake in the said Material Subsidiary the Company will be able to reduce the debt and contingent liabilities to the tune of Rs. 16.95 Crores.

The Board has approved to divest by way of sale or slump sale of its entire stake held in the said Material Subsidiary to the promoters or nominees of the promoters, on an arm's length pricing not being less than the value determined by the independent valuer.

The Board recommends the Special Resolution set out at Item No. 10 of the Notice for approval by the shareholders.

The Directors/Key Managerial Personnel of the Company/their relatives may be deemed to be interested in the resolution to the extent of their shareholding interest, if any, in the Company.

Item No. 11 – Approval of Related Party Transactions

Section 188 of the Companies Act, 2013 ('the Act") read with Rule 15 of the Companies (Meetings of the Board and its Powers) Rules, 2015 ("the Rules") states that no Company shall enter in to material related party transactions except with the consent of the members of the Company, where such transactions are either not (a) in the ordinary course of business or (b) on an arm's length basis.

Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") states that all material related party transactions shall require approval of the shareholders through resolution.

The Company proposes to enter in to related party/material related party transactions during the financial year 2022-23, as mentioned in the resolution. The Company has obtained prior approval of the Audit Committee to the said transactions as required under Regulation 23(2) of the Listing Regulations.

All related party transactions shall be at arm's length basis and in the ordinary course of business of the Company and therefore the provisions of the Act and the Rules are not attracted. However, Regulation 23(4) of the Listing Regulations states that all material related party transactions shall require approval of the shareholders through resolution and related party shall abstain from voting on such resolution. Member's approval is therefore sought under relevant provisions of the Act applicable, if any and the Listing Regulations.

Management Discussion and Analysis

IMPACT OF COVID-19

During the year under review, our solar pump installation activity had reduced due to the second wave of COVID-19 pandemic i.e., April 2021 to June 2021. However, the overall impact of COVID-19 during Financial Year2021-22 was not significant.

A) INDUSTRY STRUCTURE AND DEVELOPMENT

The total installed solar capacity in India stood at 54 GW, an increase of 34.7% compared to the last year. With this increase, installed solar accounted for 13.5% of the total installed capacity in India. In terms of solar market segmentation, ground mounted/utility scale projects account for 84.8% of installed capacity and rooftop solar account for around 12.3% of the installed solar capacity.

Source: Bridge to India, MERCOM and Ravindra Energy Limited

i) Solar rooftop and solar pumps continue to underperform

Government of India had set a target of achieving 40 GW of solar rooftop installed capacity by 2022. However, only 6.6 GW capacity has been achieved. The overall installed solar capacity grew by just 3.6% during the Financial Year 2021-22. One of the major roadblocks in rooftop growth is lack of regulatory support from DISCOMs.

Source: Bridge to India

A total of 3.6 lakh solar pumps have been installed as on date. This is far short of the government target of 20 lakhs off grid and 7.5 lakhs grid-connected agricultural solar pump for the Financial Year 2023. While the installations in the Financial Year2022 was highest, the pace of installation is far behind the desired levels. In the Financial Year2023, the sector is expected to underperform due to cost inflation.

ii) Open Access in ground mounted has witnessed significant growth

In calendar year 2021, a total of 1.2 GW of solar open access projects were installed. The total cumulative capacity has exceeded 5 GW. This growth in an open access solar Growth is being driven by three reasons: 1) Savings compared to DISCOM power (savings of upto 20%); 2) hedge against inflation in power costs- in Maharashtra the base industrial tariff has increased at CAGR of 3.5% over 10 years; and 3) ESG targets such as net zero.

B) OPPORTUNITIES AND THREATS

i) Opportunities:

Over the next 3-4 years, we believe that the solar power capacity addition, especially in utility scale and open access, will accelerate. This is because of two reasons-1)electricity demand is expected to grow at significant pace and 2) significant addition in thermal capacity is unlikely.

Central Electricity Authority (CEA) expects demand by the Financial Year 2027 to be in the range of 1,887-2,047 BU (mid - 1,967), i.e. a CAGR of 7.4%. Similarly, CEA estimates peak capacity demand rising to 280 GW as against 203 GW in the Financial Year2022, a CAGR of 6.6%.

Source: CEA and Ravindra Energy Limited

The increased demand will need to be met through addition of renewable energy capacity. Only 25 GW of thermal capacity additions are expected in next 5 years based on the current project status. New thermal capacity addition is likely to be muted due to higher lead time, lack of project finance for such projects and uncertainty on coal availability.

We believe that India will need to add another 100 GW of renewable energy capacity in next five years with solar capacity addition being the main contributor.

ii) Challenges and Threats:

While the opportunity is large, there are various challenges that can derail the potential growth story:

a) Costs inflation to be a key challenge over next couple of years

Driven by core component price inflation, manufacturing costs for PV modules have surged in the year 2020 and 2021. This increase is mainly driven by a rise in the cost of polysilicon, a core component in PV manufacturing. In addition, prices of other raw materials like silver, aluminium and glass have also increased, driving the pressure on module prices.

Introduction of BCD of 40% on solar cells and 25% on solar modules w.e.f. from April 1, 2022 has accentuated the inflation in the module prices for projects in India.

We are also in midst of a commodity bull run which has resulted in significant increase in prices of module mounting structure (steel & zinc) and cables (copper & aluminium).

We do not expect prices to cool off until December 2022.

b) Regulatory challenges

- Budget allocation by government towards procurement: With the government trying to balance various priorities of a developing economy, the actual allocation to various pump schemes might be far lower than the target.
- Regulatory framework for implementation of rooftop: Most of the state electricity distribution companies tend to discourage installation of rooftop. They view it as a threat to their revenue. The customer who are willing and capable of installing rooftop solar, typically are the customers who contribute most to the revenue of these companies.
- Lack of financing: Most of the NBFCs and banks do not finance rooftop projects against power purchase agreements. Similarly, the banks have limited risk appetite on securitizing receivables of distribution companies or state government departments on pump procurement tenders.
- Lack of coordination between various implementing agencies: Most of the government installation programs have atleast 3 agencies involved. As a result, the actual implementation lacks far behind the target.

C. SEGMENT–WISEORPRODUCT-WISEPERFORMANCE

The details of project implementation and business development is given in the Directors' Report under the head Projects. The segment-wiseperformance is as under-

Consolidated	(Amount in Mn)		Standalone	(Amount in Mn)	
Particulars of Revenue	2021-22	2020-21	Particulars of Revenue	2021-22	2020-21

Total	7,649.98	3,040.27	L		1

D. OUTLOOK

Your Company is currently developing renewable energy parks to cater to growing demand of open access customers. We are also expecting increased activity in the rooftop segment in Maharashtra and Karnataka. On the pump business, we are expecting EESL to issue a new tender for financial year 2022-23. We believe that the long-term outlook for your Company is positive.

E. RISKS AND CONCERNS

We believe the following are the key risks to the Company's business:

- a. Concentration of tenders in short period: If the procurement tenders are concentrated in a short period, we will not be able to participate in all tenders. Further, it will also increase the working capital requirement of the business.
- b. Delay in payment by government agencies: If the payment from government agencies are delayed, it will reduce our ability to execute. Further, it will also impact the profitability of the business.
- c. Increasing competition: We believe that increasing competition might result in unviable bids thereby reducing our ability to leverage on the potential opportunity size.
- d. Default by off-takers: As we are also operating several assets under long term power purchase agreements, any default by off-takers will result in a significant loss.
- e. Lack of water for cleaning: Some of the projects are located in drought areas. As a result, there is a risk that in some years we might not be able to regularly clean the modules thereby reducing the potential generation.
- f. Dependence on weather for generation: The projects will always be exposed to this risk. Any significant changes in weather patterns can result in significant loss of generation.
- g. Lack of financing: The Company's ability to grow business is also dependent to timely availability of inexpensive finance.

The Company has constituted Risks Management Committee, to monitor and review risk. Risk Management Policy has been framed and the Company is committed to managing the risk in accordance with the process set out in the policy to benefit the Company.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The compliance certification from Whole-Time Director and the Chief Financial Officer provided in Annual Report confirms the adequacy of our internal control system and procedure. The Audit Committee in every meeting evaluates internal financial controls and risk management systems.

G. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) and comply with the accounting standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management Discussion and Analysis Report for the year under review, as stipulated under Regulation 34(2)(e) of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 is presented separately and forms part of this Annual Report.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

SEBI, vide its Circular dated May 10, 2021, made Business Responsibility and Sustainability Report mandatory for the top 1,000 listed companies (by market capitalization) from fiscal 2023, while disclosure is voluntary for the fiscal 2022.

Since, the provisions of the Regulation 34(f) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are not applicable to the Company for the year ended March 31, 2022 based on the market capitalisation, the Business Responsibility and Sustainability Report is therefore not given.

CONSOLIDATED FINANCIAL STATEMENTS

In accordance with Section 129(3) of the Companies Act, 2013 ("the Act") and Indian Accounting Standard (AS)-27, the Company has prepared Consolidated Financial Statements for

the financial year ended March 31, 2022 and are annexed to this Annual Report.

Pursuant to the provisions of Section 129(3) of the Act, a statement containing the salient features of financial statements of the Company's subsidiaries in Form No. AOC-1 is attached to the financial statements of the Company.

Further, pursuant to the provisions of Section 136 of the Act, the financial statements of the Company, consolidated financial statements along with relevant documents and separate audited financial statements in respect of subsidiaries, will be made available on the Company's website at www.ravindraenergy.com.

SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

The Company had 23 subsidiary companies as on March 31, 2022 including 17 Limited Liability Partnerships by virtue of exercise of more than one half of total voting power at its own. There was one Associate Company as on March 31, 2022. However, there was no Joint Venture Company, within the meaning of Section 2(6) of the Companies Act, 2013, as on that date. There has been no material change in the nature of the business of the subsidiaries.

List of Subsidiary and Associate Companies as on March 31, 2022 is given in the Extract of Annual Return in Form MGT 9, which is available on the website of the Company at www.ravindraenergy.com

During the year under review, the Company planned to form Special Purpose Vehicles(SPVs) in the form of a Limited Liability Partnership, partnering with one of its Wholly-Owned Subsidiary - Rhibhu Rooftop Solar Solutions Limited for setting up of renewable energy parks having an aggregate capacity of upto 200 MW in the state of Karnataka and Maharashtra. The objectives of the proposed projects are to invest, build, own and operate renewable energy park and for supply and trading of electricity.

Accordingly, Ravindra Energy KNSP1 Private Limited and Ravindra Energy MHSP LLP were incorporated during the financial year 2021-22.

List of Subsidaries incorporated during the year under review:

1. REL Rural Warehousing Limited; 2. Ravindra Energy GSE Renewable LLP; 3.Ravidnra Energy KNSP1 Private Limited; 4. Ravidnra Energy MHSP LLP

Ravindra Energy REP1 LLP and REL Power Trading LLP were incorporated in the month of April, 2022.

Pursuant to the proviso to Section 136 of the Act, the financial statements of the Company, consolidated financial statements, along with relevant documents, are available on the Company's website at www.ravindraenergy.com.

The Policy for Determining Material Subsidiaries as approved may be accessed on the Company's website at www.ravindraenergy.com.

DIVESTMENT OF STAKE IN MATERIAL SUBSIDIARY

The management believes that the Company should exclusively focus on developing its renewable energy business and therefore exit non-renewable energy businesses. The Board of Directors has approved the divestments of stake held in REL Rural Warehousing Limited, a Wholly-Owned Material Subsidiary of the Company, at a consideration of not less than the value as determined by a registered valuer. The Company has obtained a Valuation Report from Anmol Sekhri Consultants Private Limited, an independent registered valuer from Mumbai. As per the valuation report the equity value has been arrived at Rs. 9.70 Millions. By divesting the stake in the said Material Subsidiary the Company will be able to reduce the debt and contingent liabilities to a considerable extent.

Pursuant to Regulation 24 of the SEBI LODR Regulations prior approval of the shareholders by way of special resolution is sought for disposing of shares in the Material Subsidiary, resulting in reduction of its shareholding (either of its own or together with other subsidiaries) to fifty percent or cease the exercise of control over the subsidiary and selling, disposing off and leasing of assets amounting to more than twenty percent of the assets of the material subsidiary, on an aggregate basis during a financial year.

ORDERS PASSED BY THE TRIBUNALS AND COURTS

The Company is a partner in 15 Limited Liability Partnerships (LLPs) which are engaged into the business of ground mount solar power generation, having aggregate capacity of 34 MW. The said LLPs had entered into Power Purchase Agreement (PPA) with Electricity Supply Companies (ESCOMS), at a tariff of Rs. 8.40/- per unit of power supply. However, due to delay in commissioning of the projects, the Karnataka Electricity Regulatory Commission (KERC) reduced the tariff rates to Rs. 4.36 per unit of power supply, without considering the extension of time granted by ESCOMs under the PPA.

The aggrieved LLPs had filed appeal before the Hon'ble Appellate Tribunal for Electricity, at Delhi to set aside the orders passed by the KERC reducing the tariff rates.

Taking into consideration the merits of the case, the Hon'ble Appellate Tribunal for Electricity, allowed the appeal and set aside the orders passed by the KERC in case of 14 LLPs and one matter is pending for orders. In view of the said judgments, the tariff rates in respect of the said LLPs has been restored to Rs 8.40 per unit effective from the date of commissioning and the revenue realization of the LLPs stands increased to that extent.

The ESCOM, in one of the above matters had preferred an appeal before the Hon'ble Supreme Court against the judgment passed by the Hon'ble Tribunal and the Hon'ble Supreme Court of India upheld the judgment passed by the Hon'ble Appellate Tribunal and dismissed the said appeal.

SECRETARIAL STANDARDS

The Company has followed the applicable Secretarial Standards, i.e. SS-1 and SS-2, relating to 'Meetings of the Board of Directors' and 'General Meetings' respectively.

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

For the financial year ended March 31, 2022

[[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, **REL Rural Warehousing Limited** BC 109, Davidson Road, Camp, Belgaum – 590001, Karnataka, India.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by REL RURAL WAREHOUSING LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. The Company's Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations. Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial period ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial period ended on 31st March, 2022, to the extent applicable, according to the provisions of:

- The Companies Act, 2013 (the Act) and the Rules made thereunder as amended from time to time;
- The Securities Contracts (Regulation) Act, 1956 and the Rules made thereunder were not applicable during the period under review;
- The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder;
- Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct investment and External Commercial Borrowings, were not applicable during the period under review;

- The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act") or by SEBI, were not applicable during the period under review;
- The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 were not applicable during the period under review;
- The Securities & Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 were not applicable during the period under review;

- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client were not applicable during the period under review;
- The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulation, 2015 were not applicable during the period under review;
- The Company has not dealt with Employee Stock Option Scheme and Employee Stock Purchase Scheme, Issue and Listing of Debt Securities, Delisting of Equity Shares, Buyback of Securities and therefore the following regulations are not applicable: -
 - The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

I have also examined compliance with the applicable Clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI).

During the period under review, as per the explanations and representations received from the Management, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards.

Annual Report 2021-22

I further report that based on the information provided and representation made by the Company and on the basis of Compliance Report taken on record by the Board, in my opinion adequate systems and processes exist in the Company to monitor and ensure Compliance with other laws applicable, rules, regulations and guidelines.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors/Committees of Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Based on the representation given by the Management of the Company and as verified by us, it is observed that there are no such laws which are specifically applicable to the industry in which the Company operates.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions of the Board are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This Report is to be read with our letter of even date which is annexed as **Annexure A** and forms an integral part of this Report.

Annual Report 2021-22

Our corporate governance is a reflection of our value system, encompassing our culture, policies and relationships with our stakeholders. Integrity and transparency are key to our corporate governance practices and performance, and ensure that we gain and retain the trust of our stakeholders at all times.

Corporate governance is an ethically-driven business process that is committed to values aimed at enhancing an organization's wealth-generating capacity. This is ensured by taking ethical business decisions and conducting business with a firm commitment to values, while meeting stakeholders' expectations. At Ravindra Energy, it is imperative that our Company affairs are managed in a fair and transparent manner. This is vital to gain and retain the trust of our stakeholders.

We are committed to defining, following and practicing the highest level of corporate governance across all our business functions.

Our corporate governance is a statement of the values we stand by as we conduct our business and engage with our stakeholders. Our Company has set the highest standards of corporate governance guidelines

Our corporate governance is reinforced through the Company's Code of Conduct and Ethics, corporate governance guidelines and committee charters. Our Board and Management processes, audits and internal control systems reflect the corporate governance framework principles. This report gives a comprehensive look at how our governance adheres to the seven pillars of our governance framework.

BOARD OF DIRECTORS

Board Leadership: At Ravindra Energy, it is our belief that an enlightened Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. The Board's actions and decisions are aligned with the Company's best interests. The Board is committed to the goal of sustainably elevating the Company's value creation. The Company has defined guidelines and an established framework for the meetings of the Board and its Committees. These guidelines seek to systematise the decision-making process at the meetings of the Board and its Committees in an informed and efficient manner.

A) Composition of the Board

 i) As on March 31, 2022 the Company has maintained an optimum combination of Executive and Non-Executive Directors. The Board comprised of eight directors out of which two were Executive Directors, two Non-Executive Director and four Independent Directors. The composition of the Board includes two women Directors, one Executive and one Independent. The Chairperson of the Board is an Executive Director and is one of the promoters of the Company. The Directors bring in a wide range of skills and experience to the Board. The composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with Section 149 of the Companies Act, 2013 (the Act). This optimum combination of the Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance.

- ii) None of the Directors on the Board holds directorships in more than ten public Companies. None of the Independent Directors serves as an independent director on more than seven listed entities. Necessary disclosures regarding Committee positions in other public companies as on March 31, 2022 have been made by the Directors. B) Board Meetings and Procedure

The internal guidelines for Board / Board Committee meetings facilitate the decision-making process at the meetings of the Board / Committees in an informed and efficient manner.

Board Meetings are governed by structured agenda. All major agenda items are backed by comprehensive background information to enable the Board to take informed decisions. The Company Secretary in consultation with the Senior Management prepares the detailed agenda for the meetings.

Agenda papers and Notes on Agenda are circulated to the Directors, in advance, in the defined agenda format. All material information is being circulated along with agenda papers for facilitating meaningful and focused discussions at the meeting. Where it is not practicable to attach any document to the agenda, the same is tabled before the meeting with specific reference to this effect in the agenda. In special and exceptional circumstances, additional or supplementary item(s) on the agenda are permitted. In order to transact some urgent business, which may come up after circulation of agenda papers, the same is placed before the Board by way of Table agenda or Chairman's agenda. Frequent and detailed deliberation on the agenda provides the strategic roadmap for the future growth of the Company.

Detailed presentations are made at the Board / Committee meetings covering Finance, major business segments and operations of the Company, global business environment, all business areas of the Company including business opportunities, business strategy and the risk management practices before taking on record the quarterly / half yearly / annual financial results of the Company.

The required information as enumerated in Part A of Schedule II to SEBI Listing Regulations is made available to the Board of Directors for discussions and consideration at every Board Meeting. The Board periodically reviews compliance reports of all laws applicable to the Company as required under Regulation 17(3) of the SEBI Listing Regulations. The important decisions taken at the Board / Committee meetings are communicated to departments concerned promptly. Action taken report on the decisions taken at the meeting(s) is placed at the immediately succeeding meeting of the Board / Committee for noting by the Board / Committee.

Minimum 4 (four) pre-scheduled Board meetings are held every year. Apart from the above, additional Board meetings are convened by giving appropriate notice to address the specific needs of the Company. In case of business exigencies or urgency of matters, resolutions are also passed by way of circulation.

During the year under review, seven Board Meetings were held and the gap between two meetings did not exceed 120 days. The said meetings were held on June 9, 2021, August 5, 2021, August 24, 2021, September 30, 2021, October 27, 2021, February 4, 2022 and February 22, 2022. The necessary quorum was present for all the meetings. One separate meeting of Independent Directors was also held on June 9, 2021 which was attended by all the Independent Directors.

The Companies Act, 2013 read with the relevant rules made thereunder, now facilitates the participation of a Director in Board/Committee Meetings through video conferencing or other audio-visual mode. Accordingly, the option to participate in the Meeting through video conferencing was made available for the Directors except in respect of such Meetings/Items which are not permitted to be transacted through video conferencing.

During the year, the Board of Directors accepted all recommendations of the Committees of the Board, which were statutory in nature and required to be recommended by the Committee and approved by the Board of Directors. Hence, the Company is in compliance of condition of Clause 10(j) of Schedule V of the SEBI Listing Regulations.

Independent Auditor's Report

To the Members of

RAVINDRA ENERGY LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Accompanying Standalone Ind AS financial statements of **RAVINDRA ENERGY LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole. And in forming our opinion thereon, and we do not provide a separate opinion on these matters.

i) The Company's wholly owned subsidiary Agri Venture Trading and Investment Private Limited has made an application before the Hon'ble National Company Law Tribunal, Bench at Mumbai, in the matter of Scheme of Amalgamation of Agri Venture Trading and Investment Private Limited into Ravindra Energy Limited. The Hon'ble National Company Law Tribunal, Bench at Bengaluru, has sanctioned the Scheme of Amalgamation vide its Order dated January 5, 2022. However, the said application is pending before the Mumbai Bench for hearing.

Against the approval of this merger, the Company will be absorbing carried forward losses of AVTIPL as on 31^{st} March 2022 ₹ 609.65 Mn. Due to this, post-merger Other Equity of the Company shall get reduced to that extent.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Standalone Ind AS financial statements and our auditor's report thereon. Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the

accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast

significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
- 2. As required by section 143(3) of the Act, we report that:

Annexure 'A' to the Auditors' Report

The Annexure referred to in our report to the members of Ravindra Energy Limited for the year ended March 31, 2022. We report that:

 a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment.

B) The Company has maintained proper records showing full particulars of Intangible Assets.

- b) According to the information and explanations given to us, Property, Plant and Equipment have been physically verified by the management during the year periodically which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification.
- c) On the basis of our examination of the records of the Company, the title deeds of immovable properties sold during the year was held in the name of the Company. The Company does not have any other immovable properties.
- d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and Intangible assets during the year.
- e) According to the information and explanations given to us, there are no proceedings which has been initiated or pending against the Company for holding any benami property under Benami Transactions (Prohibition) Act, 1988. Hence, reporting whether the Company has appropriately disclosed in the financial statements or not does not arise.
- ii) a) With regard to inventory, physical verification has been conducted by the management at reasonable intervals and no significant material discrepancies were noticed on the physical verification of stocks and the differences between the book stocks and the physical stocks have been properly dealt with in the books of account.
 - b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Hence, commenting on whether the quarterly returns or statements filed by the company with the banks or financial institutions are in agreement with the books of account of the Company or not does not arise.
- iii) The Company has made investments in, provided guarantee and granted loans or advances during the year;

- a) The Company has provided loans, advances in the nature of loans and has extended guarantee to its subsidiaries, associates and Limited Liability Partnerships
 - A) The aggregate amount of loan given by the Company to its subsidiaries, associates and Limited Liability Partnerships during the year is Rs. 52,22,58,812 and the balance outstanding at the balance sheet date with respect to such loans is Rs. 27,13,88,868. Annexure 'B' to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ravindra Energy Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company: and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Accounts forming part of the Financial Statements For the year ended March 31, 2022

Note - 1 -

A. Corporate information

Ravindra Energy Limited ("the Company") is a public company incorporated and domiciled in India. The Company's shares are listed on the Bombay Stock Exchange Limited. The registered office of the company is located at BC 109, Davidson Road, Camp, Belagavi - 590001.

The Company is principally engaged in Selling Solar Pumps, Setting up of Solar Generation Power Plant (Ground Mount & Rooftop) & Generation and Sale of Power.

B. Significant Accounting Policies

i. Basis of Preparation

The accompanying financial statements have been presented for the year ended March 31, 2022 along with comparative information for the year ended March 31, 2021. These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) on going concern basis under the historical cost convention on the accrual basis of accounting and the relevant provisions prescribed in the Companies Act 2013, besides the pronouncements/guidelines of the Institute of Chartered Accountants of India and of the Securities and Exchange Board of India. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The accounting policies have been consistently applied by the Company except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hither to in use.

ii. Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made.

iii. Property, Plant and Equipment

Property, plant and equipment (Tangible and Intangible) are stated at cost less accumulated depreciation. Cost comprises the purchase price and any cost attributable to bringing the asset to the location and condition necessary for its intended use. The Company carried out fair valuation of Freehold land, buildings and plant and machinery (PPE). However, it was determined that fair value does not differ materially from the carrying value of assets. Accordingly, the Company has not revalued the PPE as at March 31, 2022.

Capital work in progress is stated at cost.

In case of revaluation, surplus is recorded in OCI and credited to the asset revaluation reserve in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in statement of profit or loss, the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve.

An annual transfer from the asset revaluation reserve to retained earnings is made for the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the asset's original cost. Additionally, accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Upon disposal, any revaluation reserve relating to the particular asset being sold is transferred directly to retained earnings.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful life
Buildings	5-60 Years
Plant and Equipment's	5-40 Years
Furniture and Fixtures	1-10 Years
Vehicles	7-8 Years
Office Equipment's	1-10 Years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

iv. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

v. Depreciation & Amortization

Depreciation on PPE bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act, 2013 depending upon the financial year in which the assets are installed/sold.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

vi. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as noncurrent investments. Current investments are carried at lower of cost or fair value / market value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. Profit/loss on sale of investments is computed with reference to their average cost.

vii. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

viii. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- a. Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.
- b. Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

ix. Foreign Currency Transactions

Initial Recognition: Transactions in foreign currencies are initially recorded by the Company at functional currency rates at the date the transaction.

Conversion: Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency rates of exchange at the reporting date.Nonmonetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income (OCI) or profit or loss are also recognised in OCI or profit or loss, respectively).

Exchange Differences: Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, are recognized as income or as expenses in the period in which they arise.

x. Revenue Recognition

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognized at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognized at the date of initial application as an adjustment to the opening balance of retained earnings for the year ended March 31, 2019.

xi. Income Tax

Tax expenses comprise both current and deferred taxes.

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.Current income tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity.

Deferred Tax: Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is reasonably certain that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized.Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax

liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

xii. Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

xiii. Retirement and Other Employee Benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense in the statement of profit and loss.

Provisions for liabilities in respect of leave encashment benefits and gratuity are made based on actuarial valuation made by an independent actuary as on the balance sheet date. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Re-measurements are not reclassified to profit or loss in subsequent periods.

xiv. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xv. Impairment of Assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine the provision for impairment loss, if any, required or the reversal, if any, required of impairment loss recognized in previous periods. Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

xvi. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the

option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

xvii. Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- a. Expected to be realised or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading, or
- c. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading, or
- c. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Debentures (CCD) of the face value of Rs. 75/- per CCD, aggregating to Rs. 547.50 Mn. The liability component of the mandatorily convertible debentures is measured first by discounting the contractually determined stream of future cash flows (interest only) to present value using a discount rate of 9%. The difference between the proceeds of the CCD and the fair value of the liability component is assigned to the equity component i.e., the residual value).

- 8. During the Previous year, the Company has raised Unsecured Perpetual Debt amounting to Rs. 1,250.00 Mn. This debt is perpetual in nature with no maturity or redemption and is repayable only at the option of the borrower. The Interest on this debt is payable at the discretion of the borrower at the rate of 10.00% p.a. compounded annually where the borrower has an unconditional right to waive the same. For this financial year, the company has waived the interest payable with the approval of lender and hence no interest has been provided for the year in the books of accounts. As this debt is perpetual in nature and ranked senior only to the Share Capital of the borrower and the borrower does not have any redemption obligation, this is considered to be in the nature of equity instruments. This Unsecured Perpetual Debt have been presented as Instruments entirely equity in nature.

- 10. "Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. "Transition to Ind AS 116 Leases effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise Right-of-Use assets and lease liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The company has used the 'modified retrospective approach' from transition from previous standard -Ind AS 17, and consecutively comparatives for previous periods have been

retrospectively adjusted. On transition, the company records the lease liability at the present value of future lease payments discounted using the incremental borrowing rate and has also chosen the practical expedient provided in the standard to measure the right-of-use at the same value as the lease liability. The effect of Ind AS 116 on profit for current year is not material."

- 11. During the year, the company has received its Share of Profits from its Subsidiary LLPs. This income is recognised as and when the right to receive is established
- 12. During the year, the company has allotted 200,00,000 (Two Crore) Warrants of the face value of Rs. 51/- (Rupees Fifty-One only) each at par, for cash, for an aggregate amount of Rs. 102,00,00,000/- (Rupees One hundred and two crores only), in dematerialised form. Out of which the company has received Rs.75,22,50,000 (Seventy-five crores twenty-two lakhs and fifty thousand only) towards subscription amount.
- **13.** During the year, the company has provided for Impairment Loss on Investment of Rs. 1431.10 Mn. and provided for Impairment Loss on the principal portion of the Inter Corporate Deposit amount of Rs. 367.70 Mn. given to its foreign subsidiary Renuka Energy Resource Holdings (FZE). Independent Auditors' Report

To the Members of

RAVINDRA ENERGY LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **RAVINDRA ENERGY LIMITED** (hereinafter referred to as the 'Holding Company") and its subsidiaries and its associate (Holding Company, its subsidiaries and its associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated statement of Profit and Loss including Other Comprehensive Income, the consolidated statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their Consolidated state of affairs of the Group as at March 31, 2022, of Consolidated profit including other comprehensive income, Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

- There are no key audit matters to be reported.

Responsibility of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated changes in equity, consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or

error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the

Ind AS financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of two subsidiary, seventeen LLPs and one associate included in the Consolidated Ind AS financial statements, whose Ind AS financial statements reflect total assets of Rs. 3,336.32 Mn as at March 31, 2022, total revenues of Rs. 3,892.81 Mn, total net profit after tax of Rs. 464.97 Mn, total comprehensive income of Rs. 464.97 Mn and net cash flows of Rs.(140.44) Mn for the year ended on that date, as considered in the Consolidated Ind AS financial statements. These Ind AS financial statements and other financial information have been audited by other auditors whose reports have been furnished to us and our opinion on such Ind AS financial statements is based solely on the report of such other auditors. Our report is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- 1. As required by section 143(3) of the Act, we report, to the extent applicable, that:

Annexure 'A' to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of **Ravindra Energy Limited** ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based

on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiaries incorporated in India, internal financial controls system over financial reporting.

Annual Report 2021-22

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

Place: Mumbai

Date: May21, 2022

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on " the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the the Institute of Chartered Accountants of India".

Ravindra Energy Limited

NOTE - 1 - Significant Accounting Policies

a. Basis of Presentation:

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 read with section 133 of the Companies Act, 2013 with effect from April 01, 2017. The consolidated financial statements of the Company, have been prepared and presented in accordance with Ind AS.

The accompanying consolidated financial statements comprise the Consolidated accounts of Renuka Energy Resource Holdings, FZE, Agri Venture Trading and Investment Private Limited, Rhibhu Rooftop Solutions Limited, REL Rural Warehousing Limited, Ravindra Energy KNSP1 Private Limited, REL Marinetek Infra Private Limited (Associate Company), Bannura Solar Power Project LLP, Basaragi KM Solar Power Project LLP, Chikkanandi Solar Power Project LLP, Hukkeri Solar Power Project LLP, Hunsankodilli Solar Power Project LLP, Kulagonda Solar Power Project LLP, Madamageri Solar Power Project LLP, Marakka Solar Power Project LLP, Shivapur Solar Power Project LLP, Tavalgeri Solar power Project LLP, Yarganvi Solar Power Project LLP, Chikkahalli Solar Power Project LLP, Kurugunda Solar Power Project LLP, Chennamanagathihalli Solar Power Project LLP, Hirehalli Solar Power Project LLP, Ravindra Energy GSE Renewables LLP and Ravindra Energy MHSP LLP.

b. Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made.

c. Property, plant and equipment

Property, plant and equipment (Tangible and Intangible) are stated at cost less accumulated depreciation. Cost comprises the purchase price and any cost attributable to bringing the asset to the location and condition necessary for its intended use. The Company carried out fair valuation of Freehold land, buildings and plant and machinery (PPE). However, it was determined that fair value does not differ materially from the carrying value of assets. Accordingly, the Company has not revalued the PPE as at March 31, 2022.

Capital work in progress is stated at cost.

In case of revaluation, surplus is recorded in OCI and credited to the asset revaluation reserve in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in statement of profit or loss, the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve.

An annual transfer from the asset revaluation reserve to retained earnings is made for the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the asset's original cost. Additionally, accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Upon disposal, any revaluation reserve relating to the particular asset being sold is transferred directly to retained earnings.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful life
Buildings	5-60 Years
Plant and Equipment's	5-40 Years
Furniture and Fixtures	1-10 Years
Vehicles	7-8 Years
Office Equipment's	1-10 Years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

e. Depreciation & Amortization:

Depreciation on PPE bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act, 2013 depending upon the financial year in which the assets are installed/sold.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

f. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- i. Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.
- ii. Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

g. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as noncurrent investments. Current investments are carried at lower of cost or fair value / market value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. Profit/loss on sale of investments is computed with reference to their average cost.

h. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

i. Foreign currency transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate at the date of the Balance Sheet. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and investments in foreign companies are recorded at the exchange rates prevailing on the date of making the investments.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, are recognized as income or as expenses in the period in which they arise.

Translation of financial statements of foreign subsidiaries

The consolidated financial statements are presented in Indian Rupees, which is the functional currency of the parent company, being the currency of the primary economic environment in which it operates.

In the consolidated financial statements, the separate financial statements of the subsidiary, originally presented in a currency different from the Group's presentation currency, have been converted into Indian Rupees. Assets and liabilities have been translated into Indian Rupees at the closing rate at the balance sheet date. Income and expenses have been converted into the Group's presentation currency at the average rates over the reporting period. The resulting translation adjustments are recorded under the foreign currency translation reserve in Reserves & Surplus under Shareholders funds.

The functional currency of subsidiary Renuka Energy Resource Holdings, FZE is UAE Dirham ('AED')

j. Revenue recognition

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognized at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognized at the date of initial application as an adjustment to the opening balance of retained earnings for the year ended March 31, 2019.

k. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense in the statement of profit and loss.

Provisions for liabilities in respect of leave encashment benefits and gratuity are made based on actuarial valuation made by an independent actuary as on the balance sheet date. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts

included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Re-measurements are not reclassified to profit or loss in subsequent periods.

I. Income Tax

Tax expenses comprise both current and deferred taxes.

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Current income tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity.

Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is reasonably certain that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

m. Provisions and Contingent liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

n. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o. Impairment of assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine the provision for impairment loss, if any, required or the reversal, if any, required of impairment loss recognized in previous periods.Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

p. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

q. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- a. Expected to be realised or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading, or
- c. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

- A liability is current when:
- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading, or
- c. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(During the previous year, the company has issued 73,00,000 9% Unrated Unlisted unsecured Compulsorily Convertible Debentures (CCD) of the face value of Rs. 75/- per CCD, aggregating to Rs. 547.50 Mn). The liability component of the mandatorily convertible bond is measured first by discounting the contractually determined stream of future cash flows (interest only) to present value using a discount rate of 9%. The difference between the proceeds of the CCD and the fair value of the liability component is assigned to the equity component (i.e the residual value).

- 5. Exceptional item for the year in the Statement of Profit & Loss of Rs. 40.51 Mn comprises Rs. 75.10 Mn of loss incurred towards the project discarded and Rs. 34.60 Mn of profit on sale of land which was used in the project.
- 6. During the Previous year ended March 21, 2021, the Company has raised Unsecured Perpetual Debt amounting to Rs. 1,250.00 Mn. This debt is perpetual in nature with no maturity or redemption and is repayable only at the option of the borrower. The Interest on this debt is payable at the discretion of the borrower at the rate of 10.00% p.a. compounded annually where the borrower has an unconditional right to waive the same. For this financial year, the company has waived the interest payable with the approval of lender and hence no interest has been provided for the year in the books of accounts. As this debt is perpetual in nature and ranked senior only to the Share Capital of the borrower and the borrower does not have any redemption obligation, this is considered to be in the nature of equity instruments. This Unsecured Perpetual Debt have been presented as Instruments entirely equity in nature.
- 7. "Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. "Transition to Ind AS 116 Leases effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise Right-of-Use assets and lease liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The company has used the 'modified retrospective approach' from transition from previous standard -Ind AS 17, and consecutively comparatives for previous periods have been retrospectively adjusted. On transition, the company records the lease liability at the present value of future lease payments discounted using the incremental borrowing rate and has also chosen the practical expedient provided in the standard to measure the right-of-use at the same value as the lease liability. The effect of Ind AS 116 on profit for current year is not material."
